## **SB 1304 - HB 1210**

February 28, 2001

**SUMMARY OF BILL:** Specifies that no municipal utility is required to disclose the records of a consumer or family member unless so requested by:

- a person authorized by the consumer to do so
- federal, state, or local law enforcement when acting in their official capacity
- a subpoena or court order
- state, federal or local authorities performing an official function under the law.

### **ESTIMATED FISCAL IMPACT:**

**Decrease Local Govt. Revenues - Not Significant**

**Decrease Local Govt. Expenditures - Not Significant**

Estimate assumes municipal utilities will experience a decrease in expenditures for the costs of producing requested records that will not have to be released under the provisions of the bill and a decrease in revenues from fees that would have been charged under current law for providing such records. These decreases are estimated to be not significant.
